 - b. Cheryl: Attended ID Prevention & Support Conference and is organizing the RX Drop off event on 4/30 @ The Village; advertising.
 - c. Alix: Attending Spring Safety Flings and attended the ID Prevention & Support Conference.
 - d. Mike & Mary Johnson: Promoting the coalition, talked with Pastors from Kuna and Star about current drug issues within the community. Reminding other Pastors to get involved within their communities as well.

Our mission is to strengthen our community through substance abuse prevention.
Our vision is to build Meridian into a drug free community where people can safely live, work and raise a family.

- e. Rob: As director of Drug Free ID he is always actively working on drug prevention and collaborating with MADC for several events.
- f. Joanne: Invited a potential new member and has been promoting the drug take back event. Joanne also has updated Project Filter information and campaign materials if anyone is interested. She mentioned Corey Surber from St. Alphonsus is leading efforts to raise the smoking age to 21.
- g. Jeanne Buschine: Sent two nurses and a counselor to the ID Prevention & Support Conference. Working on getting a total number of signs needed at the schools to advertise “Drug Free Zones.” MADC will be helping with that cost.
- h. Nichole: Actively working with those recovering from drug addiction.
- i. Kristi Lampe: New member from Dept. of Health & Welfare interested in becoming more active.
- j. Officer Rudan: first time attending meeting. Active Drug Recognition Expert for the Meridian Police Department; 7 DRE’s in Meridian, roughly 50 in Idaho.
- k. Cpl Fraiser: Working with all Drug Recognition Experts in Meridian to attend the National Conference. They will have the opportunity to work in a “Green Lab” to better understand current issues with marijuana and further educate them to recognize those who are using this drug. Also working to change the City Code and eventually State level, to bridge a gap on inhalants.
- l. Hailey: Refilled MADC brochures at her High School.
- m. Jim: Attending recovery group meetings. Working with youth on their path to recovery.
- n. Larry Lim: Working on the 2nd Glance Project. Has had a couple of inquiry’s however those who are interested have only been in recovery for roughly 10 months. Would like the board to look into possibly changing the length of recovery time for applicants to qualify for the 2nd Glance project.
- o. Lt. Colaianni: Took 76 cases of RX drugs to Utah for incineration. Currently, Meridian has more RX in weight being destroyed than Boise City, Ada County, Garden City, Kuna, and Star combined. Also working with the crime analysis team to break down every Meridian schools’ SRO efforts: He will share these results at the next MADC meeting.
- p. Janie: Working on the Kaizen Report.
- q. Ann & Brian Peck: Retired educator; looking forward to working with the coalition to help make an impactful difference.
